VICAR'S MESSAGE

I would like to commend the selfless services rendered by the office bearers of the year. On behalf of the parish I would like to thank them and appreciate them. The General Body has elected the new office bearers for the year 2018-19. Let us work with them so that they can put in their best for the benefit of the worshipping community as also for the community at large.

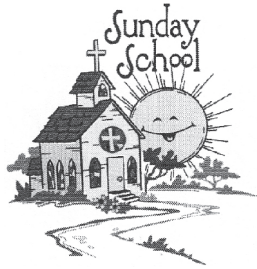

I urge each one of you to remit your dues so that we can function smoothly. Our membership is very small compared to other parishes. However the overhead expenses remain the same just like any other parish. Therefore it is evident that all of us contribute substantially to take care of administrative and other expenses. I would like to thank all of you for your cooperation in the past.

I pray that our children will have a meaningful vacation. Those who are passing out their tenth and twelfth grade will be granted divine wisdom to opt God's best in their lives. I wish and pray that they will never ever miss God's best in their lives.

God bless

John Joseph achen.
